

BümoBrain Live Classes

Math Magician

Learning Simple Math

Please print this out to use in class.

Winter Session 1 Math Magician Materials List

Please have these materials ready for hands-on activities in class.

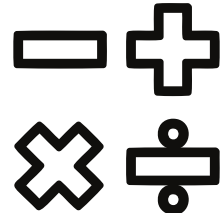

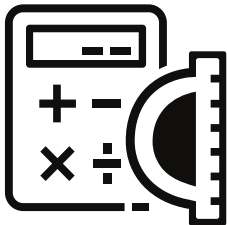

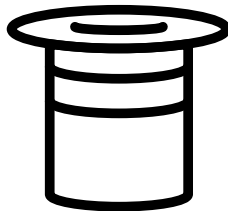

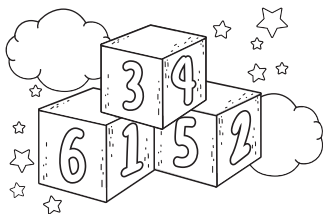

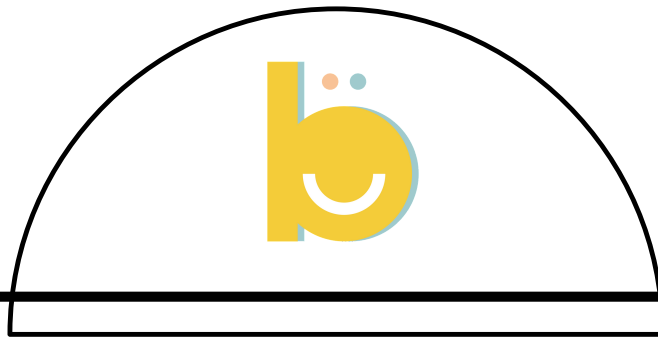

- Dot markers
- Play-doh
- Popsicle sticks

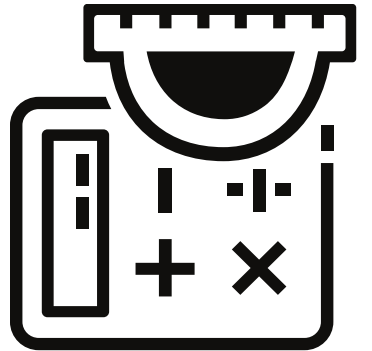

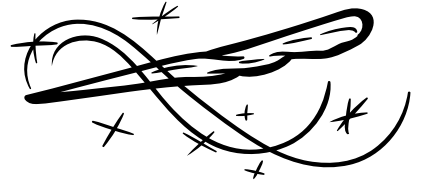

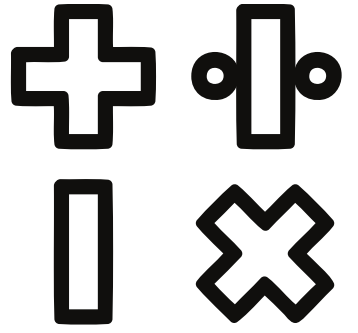

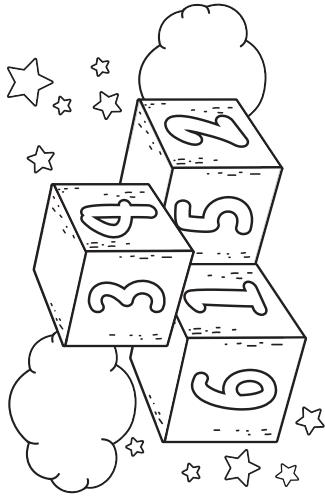

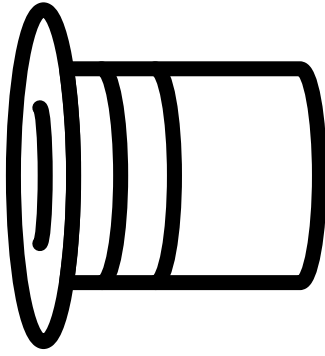

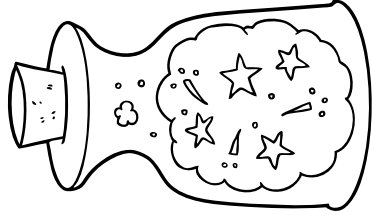

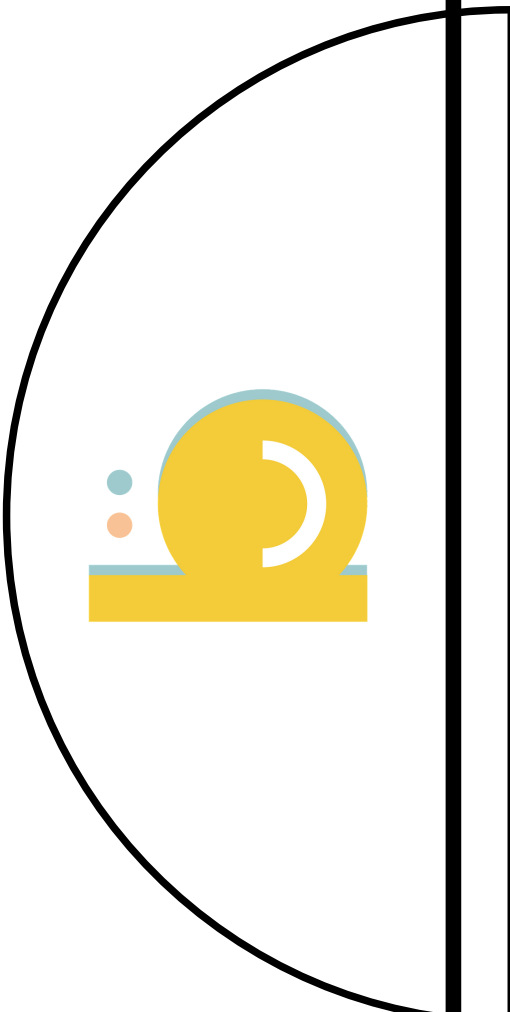

Name: _____

Date: _____

Math Magician

Directions: Color and decorate your paper crown! You can wear this in your math class, your BümoTeacher cannot wait to see! Please cut out the crown on page TWO. This page is just a preview.

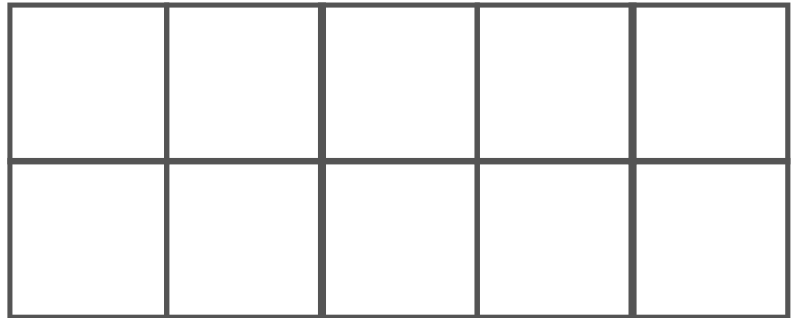

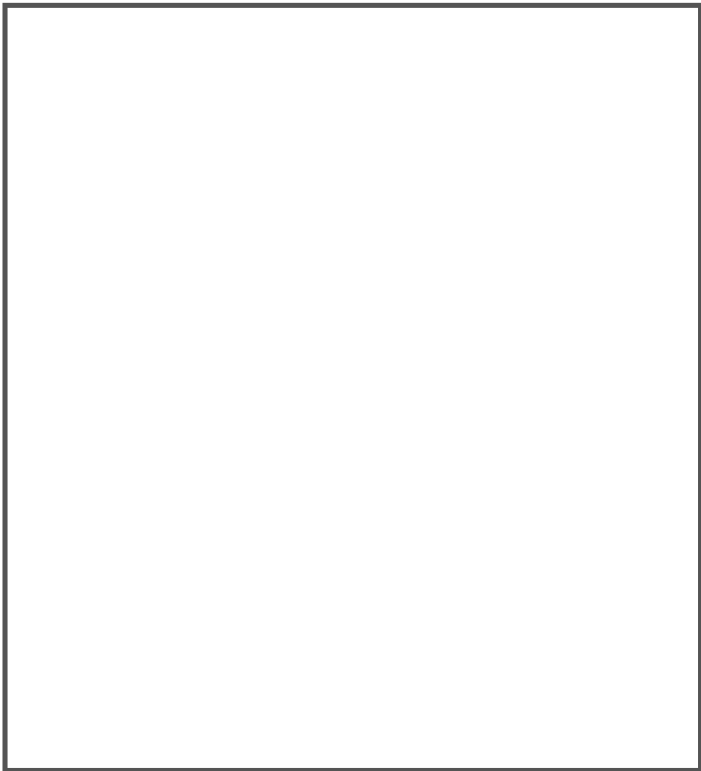

Name: _____

Date: _____

Math Magician Week 1

Directions: Use playdough to make each number!

0 1 2 3 4 5

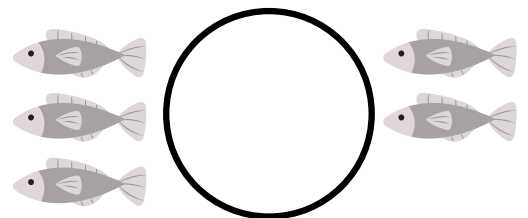

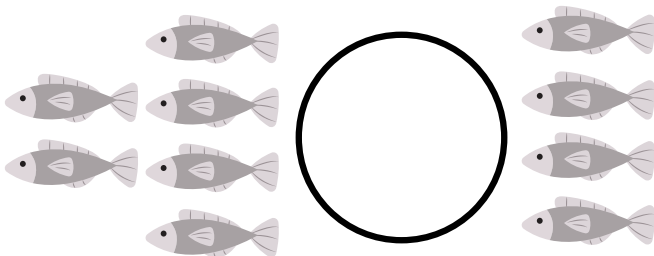

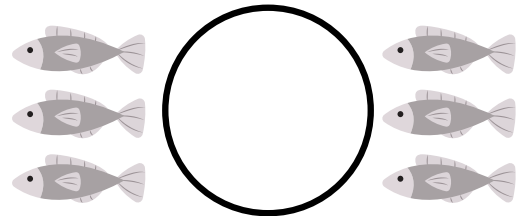

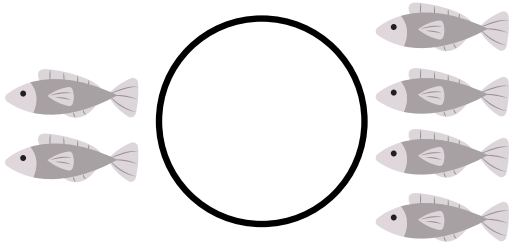

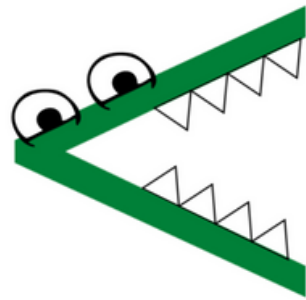

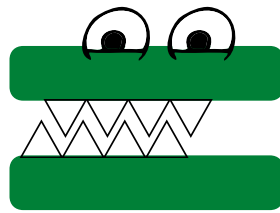

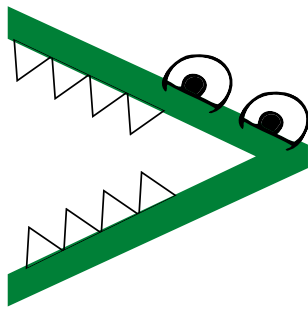

6 7 8 9 10

Name: _____

Date: _____

Math Magician Week 2

Directions: Alex the alligator is VERY hungry. Help her fill up by feeding her the bigger number of fish. Draw the correct symbol in each circle. If the numbers are equal, use the equal sign!

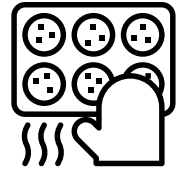

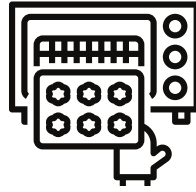

Name: _____

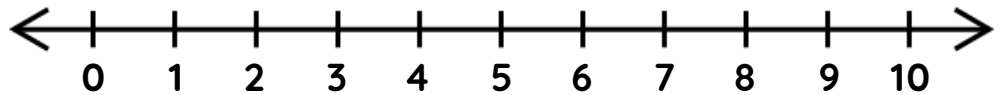

Date: _____

Math Magician Week 3

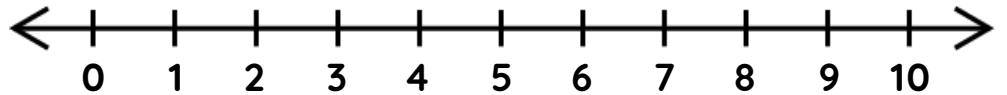

Directions: Use the number lines to complete the addition problems.

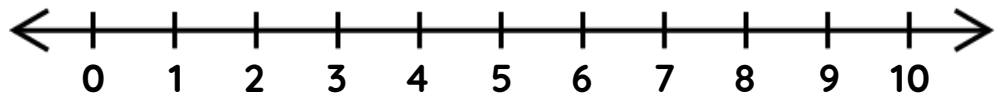

$3 + 4 = \underline{\quad}$

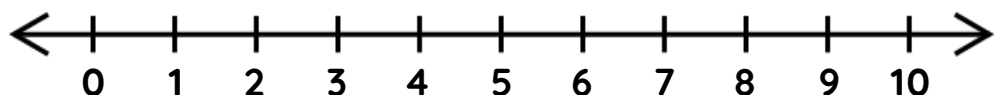

$5 + 5 = \underline{\quad}$

$4 + 1 = \underline{\quad}$

$3 + 1 = \underline{\quad}$

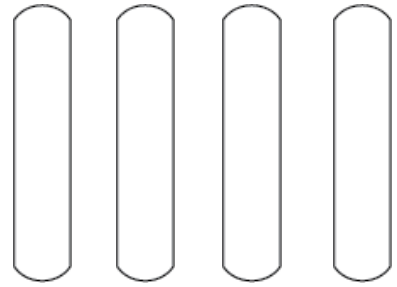

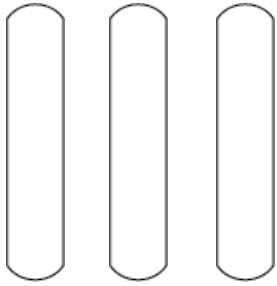

Name: _____

Date: _____

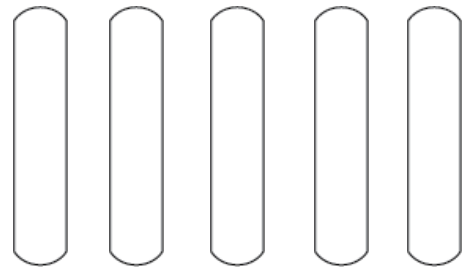

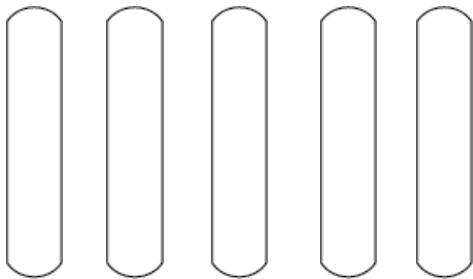

Math Magician Week 4

Directions: Use popsicle sticks to solve the subtraction problems.

$$3 - 2 = \underline{\quad}$$

$$4 - 1 = \underline{\quad}$$

$$5 - \underline{\quad} = 2$$

$$5 - 5 = \underline{\quad}$$

Name: _____

Date: _____

Math Magician week 5

Directions: It's math bingo! Use a dot marker to mark or pencil to circle the number or symbol that answers the math problem during the session. You win when you mark a line (vertical, horizontal, or diagonal).
